We collect from Tufnell Park and Hungerford Schools at end of school day. You collect your child, by 6pm from Hilldrop Community Centre. Note that late collection fees apply for every minute past 6pm.

*From January 2023 Islington households with an income of up to £34,999 are eligible for a daily **subsidised after-school childcare rate of £5.00 per day**. If you feel you are eligible for the subsidised rate you will need to complete an **Income Assessment Form** and provide evidence of your household income.

Please note that whether or not the parents of a child are married, or whether or not they live together, any contribution to maintenance of the child by either parent must be declared. You will be charged the full fee of £13.00 per day until all information has been provided to determine the correct level of charges.
